

# NOT FEELING THE LOVE

from your current pharmacy provider?

## *Time for a fresh start.*

**Sure, in the beginning, it was frequent calls and big promises.  
But after a few months, the attention waned.**

You deserve a responsive pharmacy partner who delivers on promises and doesn't let you down. PharMerica offers:

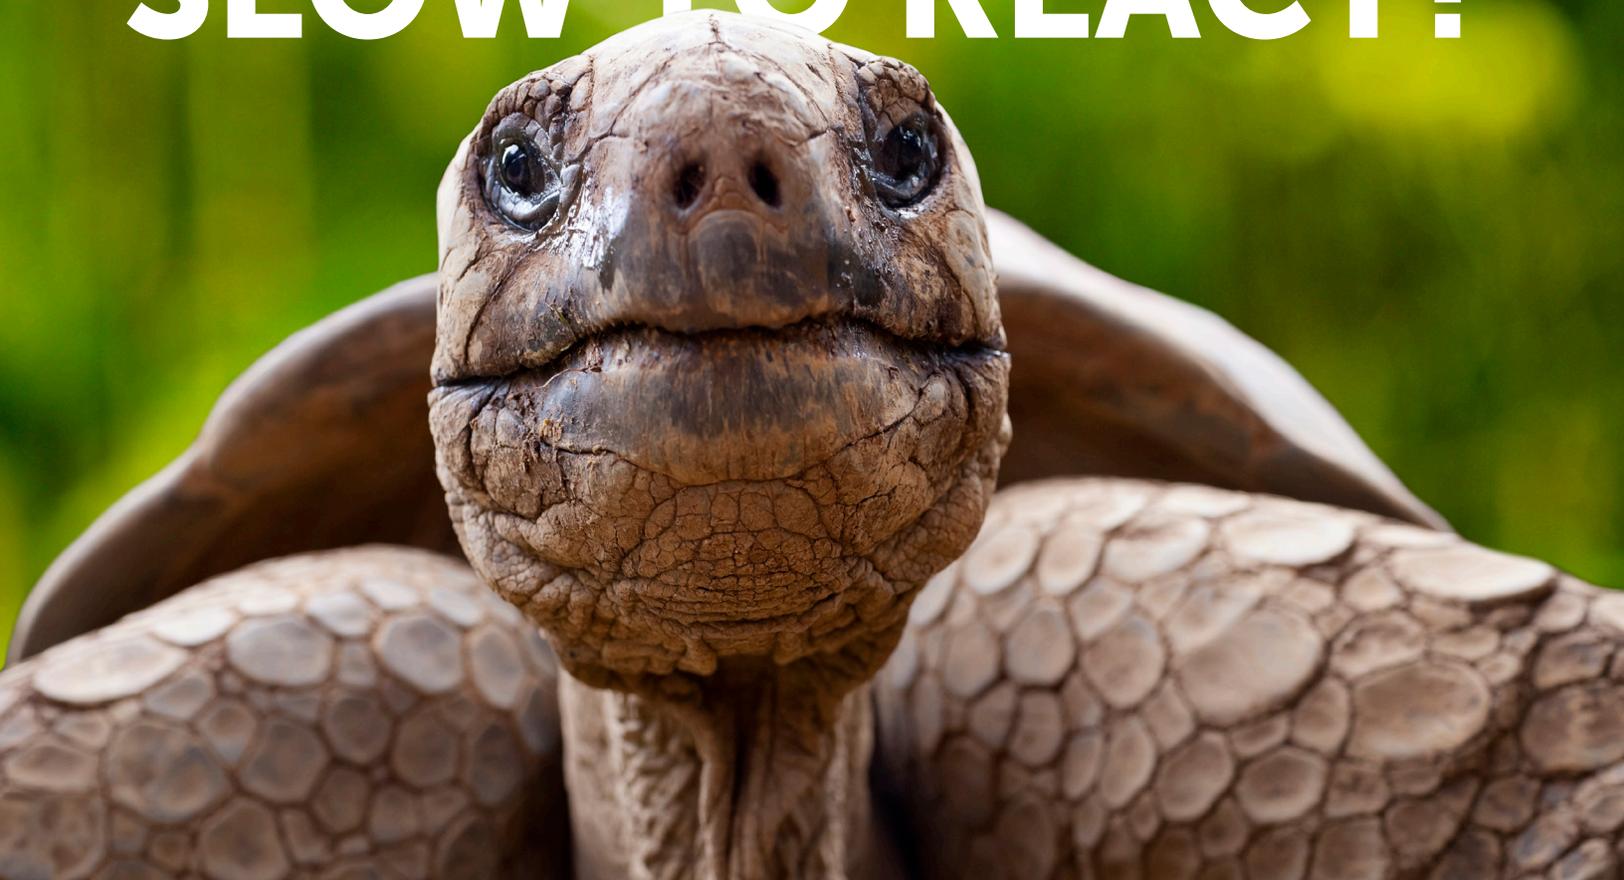

- 24/7/365 access to a pharmacist
- Dedicated implementation and account management teams
- Local, hands-on clinical support from 350 consultant pharmacists and nurse consultants
- One-on-one billing advocacy support

# Is your pharmacy provider **SLOW TO REACT?**

*Time for a partner who  
moves at your pace.*

**Today's fast-changing industry demands even faster action.  
To succeed, you need agile pharmacy services.**

PharMerica's flexible business model responds to change rapidly with personalized service:

- Actionable guidance on evolving regulations
- Real-time reporting for immediate cost containment opportunities
- Up-to-the-minute education to enhance staff capabilities and resident care
- 160+ pharmacies with 60,000 dedicated professionals to deliver personalized service based on how you operate

Is your  
pharmacy provider  
**TOO BIG TO  
RESPOND  
QUICKLY?**

*Time for a more  
nimble provider.*

**PharMerica is a right-sized pharmacy services provider that specializes in long-term care.**

Our niche in the market allows us the flexibility to respond how and when you need us with:

- Accessible leadership with 30+ years of experience who are paving the way in senior care
- 24/7 access to a consultant pharmacist
- Proactive advice on the latest regulations and emerging requirements
- 350 local consultant pharmacists and nurse consultants for timely guidance

# Is your pharmacy provider **UP TO THE JOB?**

## *Time to work with the experts.*

**A pharmacy provider in today's changing environment should do more than just deliver medications.**

You need a trusted partner with direct long-term care expertise to help you stay ahead of risks and opportunities. PharMerica offers:

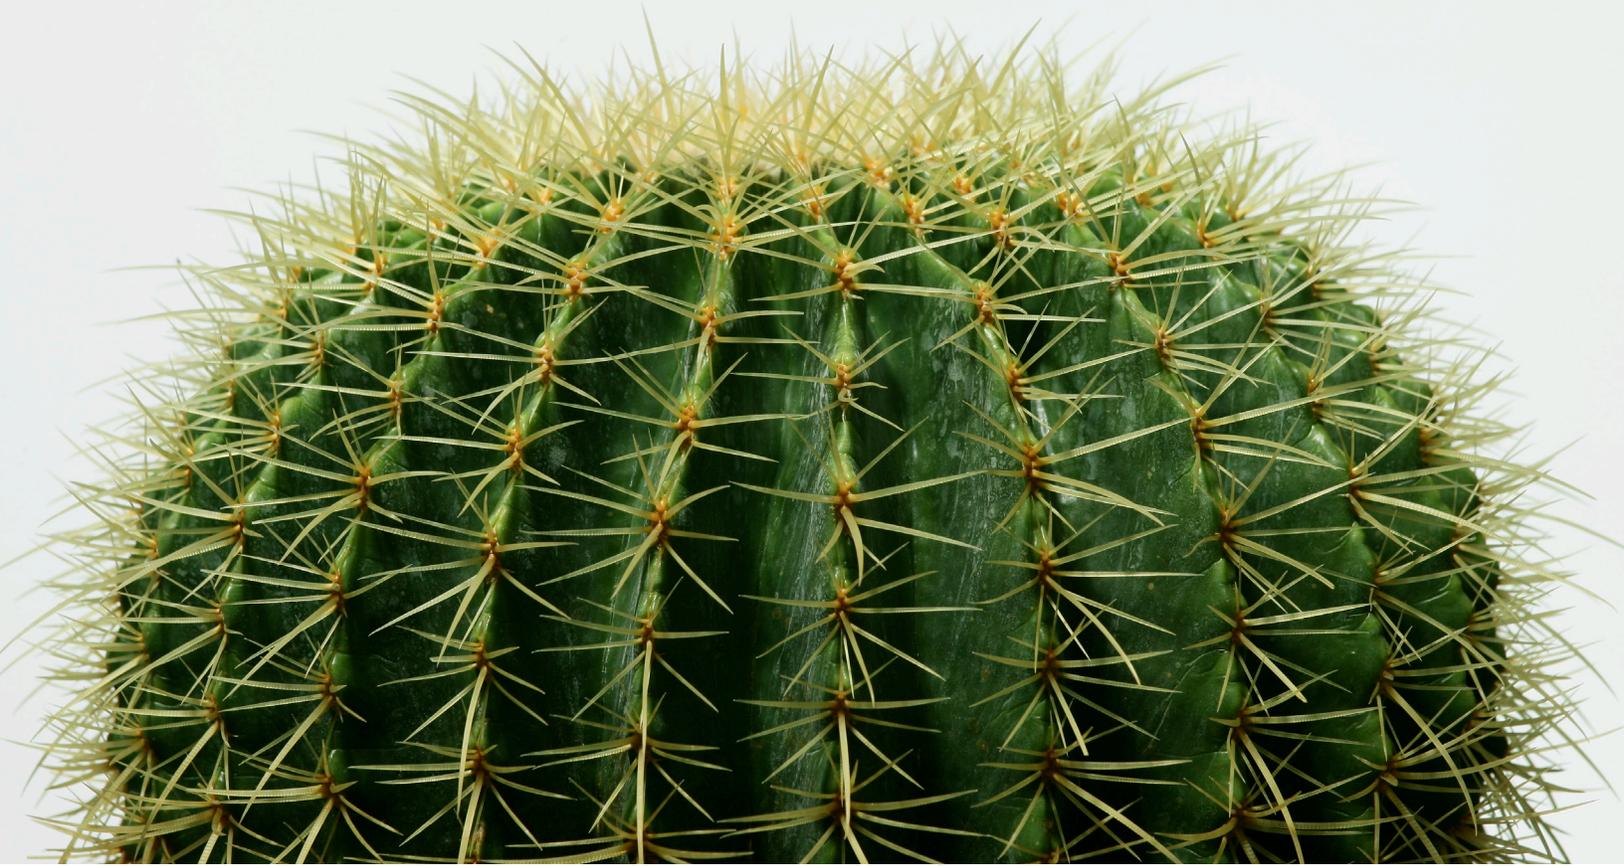

- Seasoned leadership with 30+ years of experience meeting the unique challenges of operators – and not just retail backgrounds
- Up-to-the-minute education to enhance staff capabilities and resident care
- Direct access to live and on-demand insights from industry thought leaders
- Leading-edge national resources at your fingertips
