PharMerica

The Best of Local and National Together

PharMerica is challenging the industry by being both a trusted, neighborhood pharmacy and a large partner with the organizational depth of expertise and resources to help you scale, adapt and remain competitive.

PharMerica is a national leader in pharmacy services with a local touch, serving over 3,100 facilities throughout the country with 30-plus years of senior care experience, over 160 pharmacies, and 6,000+ dedicated healthcare professionals. PharMerica delivers to our partners in a broad array of healthcare markets, including long-term care, senior living, hospice, IDD/behavioral health, home infusion, specialty, and hospital management.

At each touch-point, we're furthering our mission: to help people live their best life. We're also advancing the success of our clients, providing the capabilities and trusted expertise to help facilities stay ahead. As a total pharmacy solution, our long-term care services ensure accurate and timely access to medications, control pharmacy costs, and foster compliance with regulations with a best-in-class approach.
