

Welcoming Dr. Christopher Chihlas Back to Rhode Island!

A board-certified orthopedic surgeon, Dr. Chihlas is an expert in operative and non-operative care of all orthopedic conditions, injuries, and illness, including orthopedic fragility and osteoporosis, with added specialty in sports medicine of the foot and ankle. He will see patients at both our Warwick Campus and our Providence office.

For an appointment, call 401.777.7000 – Option 2

Ortho Rhode Island

Dr. Christopher Chihlas

We're Proud to Welcome Dr. Donald Murphy to Ortho Rhode Island!

Dr. Murphy provides non-operative primary spine care for patients with back and neck problems. His multi-modal approach focuses on helping patients find the best care pathways for their conditions, applying:

- techniques like manipulation and other manual therapies
- a variety of exercise approaches
- patient education and self-care

Dr. Murphy is a member of the Ortho Rhode Island Spine Team, which offers a patient-centered, holistic approach to comprehensive spine care, including:

- non-operative approaches like physical therapy and injections
- operative treatments, including robotic-assisted surgery with ExcelsiusGPS technology

Dr. Donald Murphy
